Abstract (en)

[origin: EP0968672A2] Bristled heads (8) are arranged in mirror-image formation on a three-dimensional base part (1) extending from a grip to a long handle (2) and then divide into two handles with right and left curved arm (4,5). The bristles (10) are arranged in tufts in the heads and are cut, rounded and smoothed. The base is forked with or without a sloping part (62,66).
