Abstract (en)
[origin: DE19735336A1] The work table has operating components(32) each of which has a stepped drive and which are operated by a double lever mechanism together or individually. The drive has a pull and push rod(33) attached to one(3) of the clamping jaws and which is shifted in steps by means of pedal-operated(57) locking or clamping elements. The clamping or locking drive(35) has a releasable return pressure lock.
