Abstract (en)  
[origin: EP1013844A1] The water drain, for sealed flat surfaces (2), has a container (9) in a sealed fitting over the drain opening (4). It has a top cover (10) and a side wall (11) with entry openings (14) round its periphery which extend down to the flat surface in a lower height than the side wall (11). The container has hermetic sealing over the entry openings.
