Abstract (en)

Arrangement for drawing lines on sports ground. The arrangement comprises a three-wheeled vehicle (1) and a distribution unit (9) mounted behind the vehicle (1), in line with the front wheel (2) and with the driver. The effect is that the distribution unit (9) follows exactly the track of the front wheel (2). If the driver keeps the front wheel (2) on a line to be replaced, a new line will precisely cover the old line. <IMAGE>
