Abstract (en)

[origin: EP1055793A2] Extra protection for a strong box (1) that has in the normal way a blind door (2). The extra protection is a transverse bar that is hinged at one end and when closed can be locked at the other end. A second bar (12) integral with the first bar extends vertically to prevent access to any of the safety deposit drawers (4). An upper drawer (6) for collecting rejects such as cards, uncollected cash is not covered by the vertical bar.
