Abstract (en)

[origin: EP1067500A2] The label, to identify packages, has a carrier (1) with an adhesive (3) on the rear side. The front side has a surface for the description (5). A part-label (7), which can be peeled from the main label, has an adhesive on the rear side and a surface for description (8) on the front side. The part-label (7) has the same dimensions as the main label, and the description on the main label is only visible when the part-label is removed.
