Abstract (en)

[origin: EP1075964A2] The article made of cardboard, paper or other material has two superimposeable pieces of material (12,14) at least one of which has an adhesive layer (18) made of self-adhesive material. At least one of the pieces of material has a perfume layer (22). The adhesive and perfume layers overlap, preferably the adhesive layer covers the perfume layer. The perfume layer has a micro-capsule layer (28) containing a mechanically breakable micro-capsule (30).
