Abstract (en)  
[origin: EP1077122A2] The present invention provides a tire vulcanizing method for, using a bladder and a tire vulcanizing press, applying preheating and shaping to a green tire externally of the vulcanizing press, subsequently, applying vulcanizing and molding to the entire tire preheated by said vulcanizing press, whereby the time for restricting the tire by the tire vulcanizing press can be shortened, and the cycle time of the tire vulcanizing and molding can be shortened to improve the productivity.
