Abstract (en)
[origin: EP1081092A2] The saddle has a dish-like seat partition (4) and a stub-like section (6) located at its front. A window (14) is provided in the seat partition which is covered by a padded section (16). The padded section consists of two leather or plastic sections (20,22) which are sewn together , between which is provided a padding material section (24) such as foam, plastic, wool, etc.
