Abstract (en)

[origin: EP1084657A1] The fixing arrangement has a first fixing element (2) that is connected to the pull-out tray and a second fixing element (4) that is connected to a rail of the pull-out guide. The two fixing elements are hinged together. The fixing arrangement has at least two connection parts (5) that are separately mounted on the rail, and which are provided with the first and second fixing elements.
