Abstract (en)
[origin: EP1101881A2] The element consists of a thin-walled tunnel-shaped profile element (17) with flanges (19) formed on both sides. The flanges have openings (18) located at the same vertical spacing as hooks (14) which are provided on an attachment profile (12). The tunnel-shaped profile element is U-shaped and the openings are formed in the outer edges of the flanges.
