Abstract (en)
[origin: WO0102068A1] A method of playing a variation of a card game in which cards are dealt such that each hand received at least two cards and a player places an initial wager before or during play, wherein the method includes providing a player with an option of placing a second wager before the cards are dealt and the player wins the second wager if the first two cards have the same face value and the player loses the second wager if the first two cards do not have the same face value.
