Abstract (en)

[origin: FR2815019A1] The packaging is made from a foldable blank (2) and a covering film (3). The film comprises a fixing part to the blank and to a flap (15) which can be folded down outside the packaging. The flap is folded down and held freely on the blank in a position of reduced size in which it extends entirely over the blank. Independent claims are included for a packaging unit and a method of packaging objects
