Abstract (en)

[origin: EP1203914A2] The operating and display unit has an operating and display field provided with touch-control elements (2,3,4,5,6,7) for selection of individual cooking zones within the cooking field and operating elements (8,9,10,11,12) for setting the cooking parameters, with a respective display associated with each touch-control element. The latter are arranged in 2 rows each containing 3 columns, with a further option position for a touch-control selection element or a touch-control setting element.
