Abstract (en)
[origin: WO0119707A1] The invention relates to a container for garbage collection, more specifically for the odour-free disposal of domestic garbage, garden garbage and such. More specifically this invention relates to a container for odourless garbage collection, comprising means for de-odourizing and/or a deodorant, for the purpose of neutralising bad-smelling fumes originating from the garbage, directly or indirectly via chemical and/or biological processes.
