Abstract (en)
[origin: EP1215648A2] Information stand (1) comprises a base body (2) with a column support (6) extending upward and a working surface holder (7) and/or information holder (8) arranged on the support. The base body has a box (3) for storing the support and the information holder and/or the working surface holder which are designed so that they fit or can be disassembled into the hollow space (4) of the box. An Independent claim is also included for a carrying case for the information stand.
