Abstract (en)

[origin: WO0060487A1] A system and method for prequalifying a consumer for credit and selectively offering an opportunity to enroll or apply for a credit account to the consumer only if the consumer satisfies certain preselection criteria. More particularly, the invention relates to a system and method for prequalifying and selectively offering an opportunity to enroll or apply for a credit account (S4(b)) only to consumers satisfying certain preselection criteria, wherein individual consumers are automatically prequalified (S3) for credit at a point of contact between the consumer and a vendor (S10) and wherein the individual consumers are unaware that they are being prequalified.
