Abstract (en)
[origin: WO0134053A1] A medical fabric having an absorbent fabric having a slip-resistant material applied to a surface of the absorbent fabric forming a slip-resistant surface. The medical fabric has an absorbency, as measured through the slip-resistant surface, of at least half of the absorbency of the absorbent material. The slip-resistant surface has a coefficient of friction of at least about 0.3.
