Abstract (en)  
[origin: WO0130204A1] The invention relates to a seating furniture that is provided with a seat upholstery (4) on a support frame (3) and loose backing and armrest upholstery (15). The support frame is surrounded by a frame on three sides thereof, whereby said frame is arranged at a distance therefrom. Said last frame defines a gap which joins the seating upholstery. Loose upholstery having a stiff core can be introduced into the gap.
