Abstract (en)
[origin: EP1245172A1] The system support contains a slide-in appliance at any height, and is in the form of a first support unit (21) with U-shaped shelving module (22). The second support module is an L-shaped shelving module to which further modules can be added. All the shelving modules are detachably joined. The walls of the system-support have rests (45) for the appliances.
