Abstract (en)

A drop-leaf table particularly for modular kitchens, comprising a wheeled frame (14) for supporting a folding top (15) to be arranged, in the closed configuration, inside a recess that is deeper than wide and is present between the units of a modular kitchen; the top comprises a central portion (16), which is arranged above the frame and to which at least one lateral top portion (17a, 17b) is hinged, the top portion being meant to be arranged horizontally when the table is in the open configuration and vertically when the table is in the closed configuration, the table comprising retractable supporting means (20a, 20b) for the at least one lateral top portion. <IMAGE>
