Abstract (en)
[origin: EP1254617A2] Single- or multi-seat furniture, preferably upholstered furniture, having a pull-out carriage (3) or drawer below the seat upholstery (2) comprises at least one support (5) having on one end a hinge mounting (6) for pivotably positioning the carriage or drawer and on the other end a bearing surface (9) hinged to the support by a further hinge (8) so that the bearing surface pivots into a horizontal position of use when the support is stood upright. Preferred Features: The support is locked in the upright position by a locking device cooperating with a stop. The width of the carriage or drawer is shorter than the width of the seat upholstery.
