Abstract (en)

[origin: WO0185073A1] The present invention relates to a urine collection bag (10). More particularly, the invention relates to an applicator (40) for the placement of such a urine collection bag (10) to the uro-genital area of a wearer and the use thereof. According to the present invention the applicator (40) comprises a means for releasable attachment to the urine collection bag (10).
