Abstract (en)
Two roller cages (2) are spaced out at the non-user end of the pull-out vapor screen (4) and are traveled by two guide profiles (2), two cages per profile. The profiles should be round and fixed in place and preferably arched in the pull-out direction. The screen (4) is also arched so as to track the profile runs for screen extension as required.

Abstract (de)
Die Erfindung betrifft eine Dunstabzugshaube mit ausziehbarem Wrasenschirm (4), an dessen bedienerabgewandtem Ende wenigstens zwei quer zur Ausziehrichtung voneinander beabstandete Wälzkäfige (22) angeordnet sind, in denen zueinander parallele Führungsprofile (2) laufen.
