Abstract (en)
[origin: WO0188311A1] Stage decking comprising a number of modular units each of which comprises a deck (1) and a base (2) in the form of a collapsible framework. The decks of the staging are connected to the bases and to each other by connectors (20, 8) mounted internally within the deck. The connectors (20) are screw connectors and the connectors (8) comprise jaws (11, 12) mounted in channels of the decks and movable between retracted positions within the channels and extended positions for locking engagement with channels in adjacent decks.
