Abstract (en)
[origin: EP1314810A1] The clothes line mushroom has a vertical pole (1), with arms (4) to carry the clothes line (21), on swing axes (3) at a sliding star-shaped unit (2). Spreader arms (5) are mounted to holding axes (7) at the pole at one end, and at linkage axes (6) at the arms at the other end. One arm acts with the spreader arm as a clamping lever (10), without using a tensioning line.
