Abstract (en)

[origin: WO0227516A1] A method that includes altering portions of a text of an original version of a digital document to produce a revised version of the digital document in which the text is shorter than the text of the original document, receiving over a communication channel (14) a request for the digital document from a device (10) connected to the channel (14), and transmitting the revised version over the communication channel (14) in response to the request.
