Abstract (en)

[origin: EP1348520A1] The tool (42) consists of a lever (44) connected to a fastening plate (60). Screws (62) connected this to a plate (48) fitted with three cylindrical pins. There are two short pins (52, 54) side-by-side which grip the inside of the rim (66) of the pulley wheel (56). A single long pin (50) is situated further away from the end of the lever assembly and grips the outside of the rim.
