Abstract (en)
[origin: US2004155032A1] The invention relates to a work plate arrangement (1) comprising a work plate (2) and a hot plate (3), said hot plate (3) being inserted in a recess (4) of the work plate (2). In order to provide a work plate arrangement (1) which also enables a wok to be used for cooking purposes in a simple manner, the hot plate (3) is provided with a bowl (5) which is made of a glass ceramic material and which protrudes into the recess (4) of the work plate (2), said bowl being used to receive a wok and having a heating device arranged thereunder (5).
