Abstract (en)

[origin: EP1369063A1] The sales shelf arrangement has several stacked shelves (1) forming fixed presentation compartments (2) for displaying goods and a separation arrangement (3) configured to prevent or enable a view of and/or access to a space behind the presentation compartments via one or more presentation compartments. Several storage compartments (4) are arranged in the space behind the presentation compartments. An Independent claim is also included for an arrangement consisting of at least two inventive arrangements.
