Abstract (en)
[origin: DE20221209U1] The display and distribution packaging unit (1) includes a cover (3) which defines a top surface (10) and planar front surface (14) and rear surface (15). The cover is partially formed to reflect the shape of the articles contained within the packaging unit main body. A bottom section (2) defines non-planar side surfaces which matches the outer contours of the products to be packed.
