Abstract (en)

Box defining in its interior a pocket into which an illustrative leaflet (23) is inserted by the box manufacturer during formation of the box, which is formed from a single piece of punched and crease-lined cardboard in such a manner as to enable it to be easily folded along the crease lines in preparing the box in its final finished form. To this end, at least one of the longitudinal folding lines of the box is provided with a succession of separate aligned cuts (21,22). <IMAGE>
