Abstract (en)

[origin: EP1398432A2] Formwork table (10) has on its upper side first fixing elements for connecting to formwork supports (18) or connecting elements (14) having fixing elements (16) for connecting to the formwork supports on which concrete formwork plates (20) are placed. The formwork table has on its lower side two fixing elements (22) for connecting to supports (24) having fixing elements (26) similar to the first fixing elements. Independent claims are also included for the following: (1) Adapter having on its upper side fixing elements for connecting to the lower end of a formwork table and on its lower side fixing elements for connecting to a support; (2) Combination of a formwork table or an adapter and at least one support, connecting element, formwork support, concrete formwork plate and/or formwork table.
