Abstract (en)
[origin: EP1403194A2] A box for realizing packagings of sweets, chocolates and the like, comprising a container (1), a transparent cover (2) and a die-cut cardboard (3) with distinctive elements for individualizing and characterizing the box or the products contained therein, placed between the container (1) and the transparent cover (2). <IMAGE>
[origin: EP1403194A2] The box has a die-cut cardboard (3) with distinctive parts for individualizing and characterizing the box or products. The cardboard is placed between a container (1) and a transparent cover (2). The distinctive parts comprise graphic parts placed on an upper face of the cardboard, and a solution of continuity (4) of the cardboard. The cardboard has lateral edges separated by angular cuts.
