Abstract (en)

[origin: WO03055942A1] The invention concerns a heteroxylan composition for preparing capsules or tablets, in particular soft capsules or hard tablets. The invention concerns a film-forming composition for making hard or soft capsules, comprising: at least a heteroxylan compound; at least a softening agent; and at least a gelling agent. The invention also concerns a film obtained from said composition. The invention further concerns capsules obtained from said composition or said film.
