Abstract (en)
[origin: EP1489583A1] The board has an opening frame joint on a door frame, where each frame has a frame with four sections having an integral structure with a tube. The opening frame has a peripheral section fixed to a frame section (3) of the door frame. The peripheral section maintains a transparent plate (5) against the frame of the opening frame and maintains the poster at the back of the plate by producing a space between the poster and plate.
