Abstract (en)
[origin: WO03090096A1] A method and system is provided for automating management of document data (112) in a document management system (104). The document data management automation system (102) suitably permits document management system users (104) to create and define rules for automated management of document data (112) in the document management system (102). The present invention is also directed to a method and system for capturing electronic documents to a preselected data storage area (110). The invention is further directed to a method and system for automatically performing preselected operations on electronic documents.
