Abstract (en)
[origin: WO03102702A2] A timekeeping apparatus having a hidden compartment. The compartment can contain permanent or removable psychological messages and/or printed messages, pictures or photographs. The apparatus has a timepiece which is pivotable relative to a backing. The backing has a removable door on its underside which is removed for placement of the message into the backing. The user can then lift open the timepiece to reveal the message in the hidden compartment.
