Abstract (en)  
A collapsible display for a retail outlet is disclosed. The display has a body portion (2) and one or more shelves (50, 100) mounted to the body portion (2) adjacent edge portions of the shelves. The display has a first condition in which the body portion and the or each shelf are folded substantially flat, and a second condition in which the or each shelf (50, 100) defines a product supporting surface (58, 60, 108, 110). One or more of these product supporting surfaces is supported adjacent the edge portions and at one or more locations between the edge portions. <IMAGE>
