Abstract (en)

[origin: US6691325B1] A helmet, particularly a racing driver helmet for motorcycle drivers or automobile drivers, has a helmet shell which is lined on its interior side with a shock-absorbing material and which has a recess which forms a field of view for the wearer of the helmet, and has a chin bow extending below the field of view. On the interior side of the chin bow at least one pot-shaped recess is provided for receiving an indicating device.
