Abstract (en)
[origin: WO2004027584A2] Methods and apparatus for providing a progressive. A method for providing a progressive jackpot includes receiving progressive payout information of a game system that includes a progressive jackpot. The information specifies a wager amount needed to be eligible to win the progressive jackpot, odds of winning the progressive jackpot, and an amount of a wager that is contributed to the progressive jackpot. The method includes changing one of the wager amount needed to be eligible to win the progressive jackpot, the odds of winning the progressive jackpot, and the amount of a wager that is contributed to the progressive jackpot so that the product of the wager amount needed to be eligible to win the progressive jackpot, the odds of winning the progressive jackpot, and the amount of a wager that is contributed to the progressive jackpot is equal to a number.
