Abstract (en)

Metal trestle (10) for building constructions, consisting of a first stringer (11, 211), a second stringer (12, 212) and at least a central connection element (16) between the stringers. Each of the stringers (11, 211; 12, 212) consists of a metal profiled element which has at least a plane surface, and the plane surfaces of the two stringers are co-planar.
