Abstract (en)
[origin: EP1612000A2] A magazine (20) for a coiled strip of nails useable in a nailing tool. The magazine includes a post (50) or spool having a use position (58) wherein nails can be driven by the tool and a load position (60) where a coil of nails can be installed on the post. The load position is angularly offset from the use position.
