Abstract (en)  
[origin: EP1645695A2] Roof window assembly for pitched roofs constructed from a number of prefab parts, comprising a front wall, an upper wall and two side walls, which together form a roof extension projecting out of the sloping roof surface, wherein the front wall, the upper wall and the side walls each comprise a window casing, wherein the window casings of the upper wall and of the front wall include an angle of over 90 degrees.
