Abstract (en)
Clothes hangers system mainly for closets, wardrobes or shop display. Useful for hanging pants or trousers, t-shirts, sweaters, towels, sheets or linen, tablecloths and other pieces of cloth or garments following the methods of the previous international filing WO 2004/008919 (Escatllar, 29.01.2004). The open clothes hangers consist of a horizontal open bar (1) with hooks (2) in both ends, for suspending them from two parallel clothes bars, and usually a handle (3). Includes an updated quick hanging method, and ideas for an integrated closet organizing system.
