Abstract (en)

[origin: EP1674628A1] Drainage installation for placing on ground plate (1) has opening (16) for waste water has an odor sealing unit (2) through which the waste water can enter. The installation can be fluidically connected to a drainage pipe (11), so that the water from the odor sealing unit can enter the drainage pipe. The drainage installation has a plate (6) which can be put on the underside of the ground plate.
