Abstract (en)
[origin: WO2005032297A1] A multi-function travel case includes a plurality of features for facilitating ease of travel, including a retractable document sleeve (30) for storing important travel-related documents in a manner that allows for quick, secure and easy access, viewing and storage of same during travel. The travel case (10) further includes a retractable bottle holder extendable from a side pocket (24) thereof, a side storage compartment (16) adapted for storing eyeglasses in a manner that prevents scratching of same, a front interior storage compartment (20) that houses a retractable light source, a key holder, and integrated pockets adapted for the storage of optical media without scratching the same, a central interior storage compartment (22) having an adjustable top restraint and first and second user-positionable, impact resistant, adjustable cushions for securing portable computer devices of different sizes, a rear interior storage compartment having a removable file folder housed therein, ergonomically-designed rubber handles (26, 28), and anti-tip feet (32, 34).
