Abstract (en)  
[origin: WO2005061464A1] The invention relates to heteroaroyl-substituted phenylalanine amides of formula (I), in which A represents a C-bonded heteroaryl, in addition to their salts that can be used for agricultural applications. The invention also relates to methods and intermediate products for the production of said compounds and to the use of said compounds or agents containing said compounds for controlling undesirable plants.
