Abstract (en)
[origin: WO2005086884A2] A method of exploring including the steps of writing center text; displaying the center text in a center node; writing first order implications, each first order implication forming at least a part of an arc; displaying each first order implication in a first order node; connecting each first order node to the center node; writing any desired child implications of any existing implications; displaying the child implications in child nodes; and connecting the child nodes to an associated parent node to form a wheel.
