Abstract (en)
[origin: US2005250567A1] A system and method are provided for playing a game of chance. The game of chance may include, for example, a lottery-type game. A result of the game of chance is revealed to a player in another medium. In one example, the result is revealed during multiple game instances of one or more online games. In one example, the online game includes a game similar to the well-known game of COLLAPSE.
